

Llandoverly RFC Programme 6-12-1981

Courtesy Keith Faulkner

It is a great pleasure to welcome the British Army to Llandoverly to-day and hope that they enjoy the day with us. This game is one of the games arranged as part of our Centenary celebrations, and after the fine performances against Nuneston and away at Maesteg we look forward to a very competitive game to-day. The Army include Peter Warfield, the English International, in their side at Centre Threequarter.

We wish the Army well in the remaining fixtures this season and a particular word of thanks to Gerry Davies who made this fixture possible.

For Llandoverly this game is an interlude in the league programme which is going extremely well at present. The first team is well in line for promotion, while the 2nd XV is on top of their league following last Saturday's win.

The youth team is also playing well and anyone interested should contact Neville Morgan (20130).
