The past history of the Club has been well chronicled in previous programmes.

## Llandoverly R.F.C.

This season sees Llandoverly R.F.C. back in its rightful place in Section A of the West Wales League, having topped the Section B table last year. We then went on to win the top-of-the-table-play-off, winning the Prestigious new W.W.R.U. Welsh Brewers League Bowl.

In the final we beat Section B runners-up and old rivals Felinfoel, but on the way we had beaten Section A's top Clubs Bonymaen and Vardre.

Today we welcome Gwent Club Machen to the town the first time for the two clubs to meet. We hope history will not be repeated since, in last years repeated since, in last years Schmepps Cup Competition, we lost to another Gwent Club, Abertillery - although by the narrowest of margins, 4 points to 3.

Whoever wins today's game, may they go on to greater triumphs in succeeding rounds of the Cup and meet one of the "Giants" eventually - for giants are there to be topped.

## MACHEN (Blue and White)

### Machen Rugby Club

Machen R.F.C. were founded in 1871.

Our fields are at the Welfare Ground and we are currently running four teams, 1st XV, 2nd XV, Youth and Under 16's.

We have three pitches, with our main pitch fully floodlit.

This is our first visit to Llandoverly and we are looking forward to a good game while making new friends
