Chairman's Address

Pleser yw i ffrwydwr y Cwbia gossawu Aberawre llaunydyfritheno. Mae Club Aberawre yn adnabyddus i ni gyf fel un o chwbiau mawr Cymru ac yn un o'r chwbiau a lydd yn chwarae yn Ewrop. Gobeithio y cawn gŵn yw chofio hwno.

A warm welcome to Swansea RFC and all their supporters. We are privileged to have as notable club as Swansea here tonight on the occasion of the naming of our new stand. Swansea are probably the most successful Welsh side of recent years having been Heineken League Champions and are the current holders of the S.W.A.L.E.C. Cup. Our congratulations to the players who recently toured South Africa and in particular to Chris Louder and Andy Moore who both gained their first Welsh caps at senior level. We wish Swansea continued success in the coming season.

During Swansea's recent successes Alred Williams has been a fundamental part of the team and a prolific points scorer. How appropriate then that he comes back to his home town on the occasion of the naming of the stand in recognition of his father.

Dr Tysul Williams many years ago became an integral part of the Club and was Club President during the years of success in the West Wales League and latterly as the Club progressed through the Heineken League. In the early years when we were making our way in the lower divisions of the West Wales League Dr Tysul Williams gave of his time and medical expertise freely both on Saturdays and Club tours. Indeed over the years many players benefited from his expert medical knowledge.

The close liaison that exists at present between the Club and Llanfair Surgery is the result of Tysul's early involvement and the developments he initiated.

Like any father Tysul followed Alred's career closely and was thrilled when he gained his senior cap. Like most of us he surely wondered why only 'one' cap. This at a time when ten other players appeared at outside half for Wales (perhaps a How Thomas question to name them!).

Aun Williams will officially name the stand this evening as the

Dr Tysul Williams President's Stand

We extend a warm welcome to Aun and the family.

We also extend a warm welcome to all our guests this evening. It is an opportunity for us to thank you most sincerely for your help in developing the Club. We can all feel proud in what has been achieved and without your help this would not have been possible. Please accept our warmest thanks.

Tonight's referee is Mr Huw Lewis. Huw, as many obviously know, is a former Llandovery player and Club captain and is now a top class referee. Welcome Huw, and good luck for the future.

Elifon Morgan, Cadeirydd / Chairman

President's Address

A warm welcome to the players, Committee and Supporters of Swansea RFC, who join us this evening for the official naming of our Stand, and for what will hopefully be an exciting and entertaining game.

Those of you who have not been inside the Stand, may find it difficult to appreciate the facilities housed therein. Incorporated inside the structure are luxurious changing rooms, weight rooms, a physio room, a doctors room, referees room and a meeting room. All are decorated proudly in Llandovery colours, Red, White and Green.

The splendid stand is really an achievement that we are proud of, and what better way than to show our appreciation to a sadly missed President who served the Club for over 20 years, Doctor Tyssul Williams, than to name the Stand after him. Many people who knew and respected Tyssul are here with us tonight and we wish them, and particularly Ann and the rest of her family, a very warm welcome.

The coming season is faced by our players with enthusiasm and confidence. Our team managers and coaches have prepared our boys well, and tonight we face Swansea in what must be an exciting challenge. Whatever the outcome, we wish Swansea a successful season and thank them for joining us here tonight.

Douglas W. Davies, Llywydd / President
