Llandovery RFC collaborating with Llandovery Sports Association (including Llandovery AFC and Llandovery College) is developing a Community 3G Pitch at Church Bank.

Funding has been offered as a result of working with The WRU to access support from the Pitch Collaboration Group coordinated by Sports Wales. The project has also been funded through the UK Shared Prosperity Fund. Supported by Carmarthenshire County Council.

However, we also need to raise a significant amount of match funding, so please help us establish a fantastic new facility for our entire community.

Every £20 of your donation buys one square metre of the New Pitch.

Every donation, large or small, will be recorded on a Donor Wall displayed on the front of the Stand. Please provide us with an email or telephone number to enter
